

Women in Pursuit of God Serving the Holistic Woman Newsletter

August 2018

Greetings My Sisters in Christ,

August is a special month here at Westside for the Women's Ministry. The women's leadership team has been working diligently to prepare for our women's conference, August 24th-26th. The theme is "I Can Only Imagine", with the tag line "You Don't Know My Story, What You See Is God's Glory!"

It has been so awesome to see God's hand in every detail of the preparations for our conference. The thing that warms my heart the most is to see how God has used and continues to use the women at Westside, from different backgrounds, with their own unique talents and personalities, to work together for the common cause of promoting His kingdom. Romans 12:4-5 says, "For just as each of us has one body with many members, and these members do not all have the same function, so in Christ we, though many, form one body, and each member belongs to all the others." (NIV). We hope this will be reflected in our much-anticipated spirit-filled conference weekend.

Not only is our kingdom's work important to the Lord, but also just as important is our knowledge about who "He" is and what He desire from us... Let's be careful not to confuse "knowledge about God", as being the same as having a relationship with Him. When we seek a relationship with God, we can appreciate and experience more of His blessings. This can be accomplished by reading and meditating on His word and spending time in prayer that is not totally consumed with requests. Having a close relationship with Christ puts us in a perfect position to minister to others.

On behalf of the women's leadership team, we personally invite you to register and attend the women's conference with us this month as we believe you will be truly blessed. Careful thought has gone into our planning from the Speakers to Praise and Worship, to our Breakout Sessions, to ensure you have a Blessed time as we experience Christ together. In closing, I leave all of us with this question to ponder. **What would our world be like if we all sought a deeper and closer relationship with God the Father? I CAN ONLY IMAGINE!!**

Sisterly Love and Many Blessings,

Bible Study* Lesson for August 7, 2018:

We will review and discuss Apply Truth: Week 4, Days 2 - Day 4. Have you ever been hurt by people misusing God's Word? Have you seen others using scripture verses to justify hurting others? During our next study, we will discuss how to apply God's truth responsibly, permanently, and prayerfully. We pray that God will help us "rightly handle the word of truth" applying it not haphazardly but responsibly for ourselves and others. (2 Timothy 2:14:15) we will continue to be led by God's word and His Spirit and attempt to discuss the lessons noted.

Should you wish to share your experiences, questions or comments, feel free to share them during our study.

**Child Care will be provided.*

The Mission and Vision

The aim and iterative mission of WBC Women's ministry will be to serve the holistic woman. We are dedicated to glorifying God by touching the hearts of women, encouraging them to open and study their bibles, apply God's truth to their daily lives and to commit to prayer without ceasing. Producing women of good character, whose lifestyles identify them as daughters of God.

The Purpose

To strengthen women through continual spiritual growth and maturity. To fellowship with one another and to be an example of Jesus Christ with family, friends and others. To challenge women to put what they've learned into practice and use it to serve God and others through outreach, missions and evangelism. To prioritize their lives according to God's instruction. To equip women with the Armor of God, employing them to live abundant lives spiritually, mentally, physically, emotionally and relationally.
