

A Guide to Christian Giving

THE FOUNDATION: A RESPONSE TO GRACE

Giving is a response to God's unpayable gifts.

We receive victory and resurrection freely, which we could never afford to buy.

“Everything we do must be done in the light of eternity.
Our financial stewardship is not just for now, but has eternal significance.”

GIVING IS AN ESSENTIAL PART OF CHRISTIAN LIVING

It is a practical spiritual discipline, not a topic to be avoided in church.

THE FRAMEWORK: THREE GUIDING PRINCIPLES

1. PURPOSED GIVING

PURPOSED GIVING

Funds have specific goals: relieving need, building fellowship, and supporting church ministries.

2. PLANNED GIVING

PLANNED GIVING

Intentionally set aside as a budget priority, not a haphazard Sunday afterthought.

3. PROPORTIONED GIVING

PROPORTIONED GIVING

Based on what God has given you, creating equal sacrifice, not equal gifts.
